

## Assessment Week 12

Choose three questions to answer. Please answer using short response format of 3-4 sentences (see the window). Make sure to give evidence from the text to support your writing:

1. What are some difference between upper and lower classes in Egypt?
2. How are hieroglyphics related to computer icons?
3. What are the physical features of the Nile Valley?
4. What allows so many things to live in a place like Egypt since it's a desert?
5. What types of crops were grown in Ancient Egypt? How did they grow there?
6. What are some differences between Upper and Lower Egypt?
7. How did Narmer become ruler of Egypt?
